of the silver interest, save: "The Memphi-APPEAL is very bitter toward the silver dollar, and complains of the cost of removing them from point to point. This could all be nexted with one of the New York papers, arranged by using silver certificates in lies of them. The same reason applies to gold. of them. The same reason applies to gold, It does not not any more to move \$1000 in silver than it does \$1000 in gold, because the freight is regulated by value, not by weight. The Tribune is in error, as it will discover by inquiring at any Sait Lake bank. Thirty thousand dollars weigh a ton, and they have to be packed for transportation, and kegs to be bought to pack them in, be sides the higher charge made by the express companies for transportation. The case of Houston, and the difficulties it is encountering owing to large amounts of silver received by the banks there, is proof in point. The Tribune defends the silver eighty-four cent pieces with much ingenuity, but in the face of the refusal of the people to take themin the face of 2400 tons of silver dollars is on the increase everywhere, and hence the prospects of Democratic success in the next in the face of 2400 tons of silver dollars lying in the freasury vaolus at the date of necessity of more caution in the manage-didate who can avert such a catastrophe." the treasurer's last report-ingenuity fails ment of insane asylums. In Massachu etts to produce convictions. Congress must stop the coinage of silver dollars.

THE FIRST MORMON TEMPLE. the weight of three men, is capable of fornishing regularly for three consecutive hours. the work of twelve to fifteen men. A bailoon would easily raise such a machine with the men to manage it. The time is coming when we shall settle, on a chilly morning, for a run after breakfast down to Cuba or Jamaica, or on a warm one, for a pleasant turn; to the bay of St. Lawrence, or to Newfoundland, to get an appetite for dinner and invite our friends at those places to pay us on early visit, or to give the ladies opportunity to make a few purchases.

THE DANGES PROM SICHES. The Ray, Dr. Howard Crosby, of New York City, has aroused strong attention, by his article in the North American Review, to the greatest of the cyils that threaten the liberties, the individual welfare, and the the conviction that states mauship is declinprosperity of the American people. That lng. evil is the tendency, under existing laws and strong in this country has become especially off from. evident within the last quarter of a century, large amounts of wealth in few hands has been, as a necessary consequence, that a less | Denver Tribune declares, ought not amount of wealth remains to be distributed weaken his testimony. If he had not been among the mass of the population. This resulted in the increase of poverty at one end of the social scale, in proportion as there has been an accumulation of extravagant wealth at the other end. The display of wealth by one stimulates another struggle for a similar sequisition. This tained, and we therefore see unscrupulous speculation, corners, monopolies, the corruption of legislative and official persons, cheating, embezzlement, robberies by bank presidents and cashiers and by persons in all unscrupulous grasping for wealth, abandonment of conscientious scruples and disregard of honorable dealing. "Get money honeatly if you can, but get money, is the creed of the votaries of the white man's god-Mammon, How is this greed for riches to be checked? article in the North American answers this question. It says: "There must be a limit to individual wealth if we are to be preserved as a republic." These are words of truth and sobernes, unexaggerated and unwealth? Manifestly we cannot; to do so such a denial of a citizen's liberty was in- press. tended to preserve. Every American citizen has the undoubted right to get as rich as his riches. This being done, however, the law-which already forbids him to "entail" scend unalterably from generation to generation-must go further still in limiting his power when making his will. It must say, Not only you shall not entail your property, but if it amounts to a certain value you must leave it to more than one person; if to a certain higher value, to more than two persons, and so on. And this must be done because the public welfare demands it. Such a regulation would prevent any permanent continuance of an unwholesome oc comulation of wealth, would take away a would preserve a desirable distribution of

A SORROWFUL LOVER. HEARTBROKEN, HE SUES HIS SWEETHEART FOR BEFACH OF PROMISE OF MARRIAGE. New York, April 4.-The somewha ovel suit for breach of contract, brought by Bernard H. Barwich, of this city, against Miss Rebecca McLean, of Stapleton, Staten Island, was begun before Referee John Cook o-day. Barwich, the plaintiff, is a tall, uddy-faced German, thirty six years of age. He has dark hair and a blonde mustache, are not unpreposessing. He speaks unare of Benjamin Beney, an invalid, at Mrs. McKenzie's boardinghouse, at Staplston, last year, when he first became acquainted with Miss McLean. In July he saked her to marry him, and she, after first referring him to her mother, accepted him for her future first conception of polygamy was born. Both of these houses will be brought into service named with her in the garden until o'clock, enjoying such happiness only lovers can. On April 10th for the reception of visitors. Tents and cabins will be erected for eleeping purposes he gave her an engagement ring, and she kissed him more than once. Her mother's health being poor, she desired him to marry her at once, but when her mother died it was sgreed between them that in May, 1883, they should be united. He loved her truly, and during their engagement had acted as a true gallant, taking her to Brighton Beach and on carriage and sleigh rides, and contributing to her pleasure in every possible way. On January 19th he objected to the presence of a Mr. Chisholm in the house,

who was said to be a cousin of his sweet-

which ended in the returning of the engage-

ent ring and presents. Mr. Barwick's dear

Rebecca then informed him that, although

she had not intended to tell him so until

some three months later, the truth was that

she intended only to make use of him in or-

der to get revenge on some other person

ing he visited her again and made up with her, promising to return the ring on

him, which prevented that being done, and

showed that all was indeed over between them. In consequence, his joy has been turned to sorrow, his health has been dis-turned, and he has been discharged by his

mployer. The poor, heartbroken Bernard

was put under cro-s-examination. He could

ret," he said, amid roars of laughter. Miss

A Desperate Break for Liberty. CRESTER PRISON, ILL., April 4.—At 4 o'clock vesterday afternoon four convicts attempted to escape. Wm. McCormick, serving a five years sentence for violation of the postal laws, was shot through the upper part of the right leg: James Rogers, in for the same offense, was shot in the shoulder; another was shot and slightly wounded. All were speedily captured and placed in solitary confinement. The tumult lasted ten minutes A Linr, by Gad, Sir.

WASHINGTON, April 4.-Frederick De St. Louis, April 4 .- Col. John Cardwells Frourille, a former member of the Signal editor of the Austin (Tex.) Statesman, pub-Queen is less rapid than her physicians had Corps, last night shot and killed his wife and lished a card in his paper yesterday in which reason to expect. While the injury to the

It is but a Danish sailor.
Rugged of front and form;
A common son of the forecastle
Grizzled with sun and storm.

Still, as he lay there dying, Reason drifting awreck.

Slow the ponderous engine, Stay the hurrying shaft; Let the roll of the ocean Cradle our giant craft— Gather around the grating, Carry your measurate aft?

Stand in order, and listen
To the holiest page of prayer
Let every foot be quiet.
Every head be bare—
The soft trade-wind is lifting
A hundred locks of hair.

Our captain reads the service,
(A little spray on his checks).
The grand old words of burial,
And the trust a true heart seeks—

We therefore commit his body To the deep"—and, as he speaks,

Launched from the weather railing, Swift as the eye can wark, The ghastly, shotted hammock Pinnges away from the shark, Down, a thousand fathoms, Down hato the dark!

A thousand summers and winters The stormy Guif shall roll High o'er the canvas coffin— But, stience to doubt and dole! There's a quiet harbor somewhere For the poor a-weary soul.

Free the fettered engine,

Speed the direless shaft!
Loose to gallant and top sail,
The breeze is fair abat!
Blue sea all around us,
Blue say bright o'erhead—
Every man to his duty!
We have Guried our dead.

ave buried our dead.

They are lined with light silks, and trimmed with lace chenille balls, and gilt and jet ornaments. STREET shoes for early spring have clot ops to match the dress, and tips of patent eather. The toes are not so sharply pointed, and the heels are moderately low and comfortable, in the Euglish tsahion. MRS. CARTER, of Belluir, O, says in her application for divorce that her husband compelled her to swallow -pools, button

ong strings of wrapping yers and marble as punishment for smiling at other railroad men as they passed the house. A MAN made a wager with a Judy that h nid thread a needle quicker the n she could sharpen a lead-pencil. The m n won. Time, fourteen minutes and forty seconds. It is ent if the woman had not run out of leadpencil in ide of five minutes.

A RILL to abolish actions for breach of promise to marry, has been introduced in the citish Parliament. The bill, which will robably pass, is to take effect on the let of January next. Whether this be a wise law or not we are unprepared to say; but it certainly will be a guarantee at greater freedom of sprech among the lads and lassies of "Merrie England." MRS. JULIA WARD Howe's Lafe of Murge

et Fuller will be the first volume devoted to an American woman in the biographical series projected by Ruberts Brothers, and so pleasantly introduced by Miss Blind's monograph on George Eliot. No more competent biographer of the transcendental cybil than Mrs. Howe could be found; her knowledge I the subject she has undertaken is compr hensive and accurate. Some of the realistic costumes worn at the

great Vanderbilt ball seem to have been par-ticularly successful. The story is current of one young lady made up as a mythological nymph, who, going in to inspect Mrs. Van-derbitt's beautiful bath-room, produced such an effect upon the maid in charge by the artistic accuracy and appropriateness of her appearance that the maid instantly and in-

THERE is much variety in bonnet string strings, accompanied by wider black, blue garnet or brown velvet ribbon. Orange and olive green velvet ribbons are tied together for strings. Red and blue strings are also tied together. Narrow yellow velvet ribbon is tied with wider black velvet ribbon. Short bridle strings in a curve below the chin are made of blue velvet tied in a small

ONE recent morning Kate Slocum, a prett Florids girl, stood at the door of her father louse, watching the rising sun just peepie above the tree tops. Paddy, the gardene ment, and as he was passing Kate a cloud for a moment obscured the orb of day. "Sure," said Pat, with a bow and a smile, as he lifted his hat, "whin the sun beyant caught sigh f your eyes he was jealous and ashames and hid himself away." Did any gallan ever say a prettier thing? New York Justice makes this comment or

an estentations display of their superfluors how they came by it, and when it has been another, by speculations which are merely tricks, by acis of Legislature which were ob-tained by bribery, such an exhibition is shameful. There is no law, human or divine, against the accumulation of property.

And wealth seems always grand when grandly used for human good. But wealth squandered in vulgar displays which debouch public tastes and morals, within a stone's The Star-Route Trial.
